Emergency Contacts - SOP

TO: Building Administrators, Head Custodians and Secretary to Principal
FROM: DeJuan Hood, Director, Buildings and Grounds
RE: **EMERGENCY CONTACTS**
DATE: July 8, 2022

Our Vision: To provide and maintain quality conditions for the students, faculty, staff and visitors in support of the District's goal of promoting learning environments that are student-centered, efficient, and safe.

Purpose: To establish Emergency Contacts to call in the event there is an emergency maintenance need that occurs during non-school days or after Buildings & Grounds Customer Service hours, Monday-Friday, 7:00 am – 4:00 pm. An emergency is defined as a problem or concern requiring immediate attention or repair which cannot wait for the next workday. The Emergency Contact will respond or assign staff as necessary.
