Focus on Academics

SPRING 2018

IMPORTANT DATES

Principal's Corner:

Hello,

This month's School Principle at Northgate Intermediate is Harmony-I work with others peacefully. Parents, please talk with your children about this principle so they can apply it at home as well as at school.

The Ohio State Assessments for grades 4/5 continues this month (Math/ Science/Social Studies) and end on May 11th. These assessments are very important as it measures students understanding of curriculum and content at their grade level.

EOY MAP/NWEA Assessments will start on May 8th and continue through the end of June. Students will be assessed online in reading and math. EOY results will be placed in students 4th grade report cards at the end of the year.

We have a number of events taking place for the month of May that will make this year one to remember before summer break! Concerts, festivals, field day, and 5th grade promotion will celebrate and recognize everything at Northgate Intermediate that makes us GREAT. Event dates are located throughout this month's newsletter.

Parents are always welcome to come in and volunteer their services. Our goal is for parents to fulfill their requirements to volunteer at least 1 hour a month at the school either in their child's classroom, office or around the building. You are an important piece to the learning environment and we need your support as much as possible!

Thank you very much,

Andre Jones, Principal

NORTHGATE RECESS

The weather in Ohio is often unpredictable and can change drastically throughout the day. Please monitor the weather daily and plan your child's attire accordingly. Unless it is raining or the temperature falls below 22 degrees, students will be outside for recess. If for medical reasons you wish for your child to remain indoors for recess, we require a medical note from your child's physician.

In order for recess to be a fun yet safe experience for all, we ask that the following basic playground rules are followed:

1. **Be Respectful** of yourself, others, and the equipment. Do not tease or hurt other's feelings. No fighting, spitting, graffiti, name-calling or swearing.
2. **Be Safe.** Keep hands and feet to yourself. "Friendly games" only. No tackling, slide tackling or grabbing other people or their clothes.
3. **Use Common Sense.** Know the difference between right and wrong. Your choice should not cause a problem for anyone else including YOU!
4. **Be Responsible for Your Own Actions.** Students are responsible to keep themselves dry, to keep track of their own personal belongings, and to help recess supervisors keep track of playground equipment. They should know and follow game rules and school rules and ask if they are unsure or if there is a dispute.

SEVERE ALLERGIES

It is the responsibility of the parent to notify the school of a student's severe allergy(ies). In dealing with known severe allergies, such as bee sting allergies, school personnel will call the emergency squad and the student's parents or guardian immediately.

ILLNESS

We want every child to learn and be successful. School attendance is linked to learning. However, there are times when your child may be ill and should stay at home until he/she feels better or is no longer contagious to others. Below are some guidelines to help you determine when your child should stay home.

- Temperature above 100 degrees by mouth
- Vomiting or diarrhea
- Shortness of breath or wheezing during normal activity
- Cough that interrupts normal activity
- Pain from earache, sore throat, or recent injury
- Rash or draining sores
