## Focus on Academics

### Principal's Corner:

Hello,

This month's Principle at Northgate Intermediate Balance-I I work to achieve equality among my home, school and social life. Parents, please talk with your children about this principle so they can apply it at home as well as at school.

The Ohio State Assessments for grades 4/5 has started and will continue this month (ELA/Math/5th Grade Science) starting April 17th until May 10th. These assessments are very important as it measures students understanding of curriculum and content at their grade level.

Please make sure you check Ms. Skipper's Weekly S'more's Newsletter that is attached to your child's teacher Dojo and also on our School Website. The link is for our school website is located above this message.

Parents are always welcome to come in and volunteer their services. Our goal is for parents to fulfill their requirements to volunteer at least 1 hour a month at the school either in their child's classroom, office or around the building. You are an important piece to the learning environment and we need your support as much as possible!

Thank you very much,

Andre Jones, Principal
