

EAST HIGH SCHOOL

ADDRESS: 1500 E. Broad St. Columbus, OH 43205

WEBSITE: ccsoh.us/easths

PHONE: 614-365-6096

SCHOOL MISSION: We strive to ensure the academic success and social emotional growth of all the students we serve.

SCHOOL VISION: To increase the academic success of all students by providing instruction that is on grade level, engaging, affirming, and meaningful in every class every day.

DRESS CODE: Students are expected to follow Dress Code outlined in the District's Guide to Student Success.

WHAT MAKES THIS SCHOOL OUTSTANDING:

East High School stands out through its commitment to turning challenges into opportunities and equipping students with essential 21st-century skills. Our graduating seniors leave East High School ready, receiving upwards of \$3 million in scholarships and awards.

Our strong partnerships and extracurricular programs provide valuable resources that enhance each student's educational experience. East High School's long-standing Health Science Academy, in partnership with The Ohio State University Colleges and Wexner Medical Center, offers students hands-on learning and career-ready training with leading hospitals across Columbus.

SPECIALTY LEARNING OPPORTUNITIES/CURRICULUM:

East High School, the proud home of the Tigers, features the aforementioned Health Sciences Academy, which incorporates the Project Lead the Way Curriculum. This dynamic medical program provides a rigorous pathway designed to equip students for exceptional careers in the medical and healthcare fields, with a strong emphasis on advanced Science and Math learning.

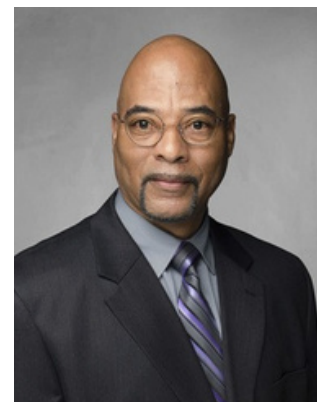

College Credit Plus in partnership with Columbus State Community College, allows students to earn college credits while still in high school. Additionally, East High has adopted the Universal Design for Learning Model, a framework that effectively addresses barriers and supports the development of expert learners within diverse instructional settings.

STUDENT ACTIVITIES/SPORTS:

East High School offers students powerful ways to connect, grow, and lead—on and off campus. From national performances by the Marching Band and Drill Team to college prep through Upward Bound and mentoring programs like Project Mentor and ROX, students gain skills, support, and confidence for life beyond graduation.

COMMUNITY PARTNERSHIPS:

East High School partners with a strong network of organizations to support student success, including PACT, The Ohio State University Hospital East, Nationwide Children's Hospital (with an on-site clinic and counseling services), Columbus State, I Know I Can, Big Brothers Big Sisters, and the East High Alumni Association. Additional partners include the Academy of Engineering Advisory Board, St. Vincent Family Center, Directions for Youth & Families, and The Center for Healthy Families to name a few.

SCHOOL LEADERSHIP:
Dr. Kelvin Watson, Principal
