## **WHAT MAKES OUR SCHOOL OUTSTANDING:**

Academic success is our top priority at Fairwood Elementary. We integrate the arts into daily learning and support student growth through the Second Step program, which builds skills in empathy, problem-solving, and emotional management. Our state-recognized PBIS student expectation plan ensures clear expectations and a positive learning environment for all.

## **STUDENT ACTIVITIES/SPORTS:**

At Fairwood Elementary, supporting the whole child goes beyond the classroom. Alongside our focus on academic excellence, students enjoy a wide range of activities that build confidence, creativity, and community—including chorus, instrumental music, concerts, field trips, skating parties, and end-of-year celebrations. Families engage through math, science, and literacy nights, while students lead through programs like the Student Welcome Wagon and leadership opportunities.

## **FAMILY SUPPORT and RESOURCES:**

Fairwood is a Title-I Funded school. We provide opportunities for parents to be supportive of their child's educational experience.

## **COMMUNITY PARTNERSHIPS:**

Fairwood Elementary thrives with strong community support. Partners like Seventh Avenue Community Missionary Baptist Church, Serenity Baptist Church, The Columbus Dream Center, Young Leaders of Today and Tomorrow, and MECCA help us enrich the student experience through mentorship, outreach, and engagement. We also welcome dedicated volunteers from The Ohio State University who support learning and school-wide activities.
