**SCHOOL VISION:** One hundred percent of Livingston students will be at or above grade level in reading and math. We understand the foundation for success is based on procedural and conceptual knowledge in literacy and mathematics.

**SCHOOL MISSION:** The staff of Livingston Elementary believe all children have the opportunity to increase their overall ability to learn, grow, and adapt in and out of school through global empathy and critical thinking. Working within their community, our students will establish a core belief in who they are, be self confident, and set goals to reach their full potential.

**DRESS CODE:** Livingston Elementary School adheres to a school uniform policy. The uniform consists of light blue, navy blue, or a Livingston t-shirt, with khaki or navy-blue bottoms (pants, shorts, skirts, or skorts).

## WHAT MAKES OUR SCHOOL OUTSTANDING:

At Livingston Elementary, students grow as confident, collaborative, and resilient learners, hallmarks of the CCS Portrait of a Graduate. Through daily focus, celebration of growth, and strong family partnerships, we prepare every student to lead in middle school and beyond.

### LIVINGSTON CREED:

I am somebody worthy of success.

I care about myself, my family, my school, and my community.

Every day is a new opportunity to be the best that I can be. I am a proud Livingston Lion.

### SPECIALTY LEARNING OPPORTUNITIES/CURRICULUM:

Livingston Elementary offers a hands-on, standards-based curriculum that builds strong readers, writers, and critical thinkers. Students engage daily with technology, fiction and nonfiction texts, targeted phonics, and writing across subjects. Our staff uses best practices to support both academic success and social-emotional growth. With strong family partnerships and a focus on the whole child, we prepare students to thrive in middle school and beyond.

### STUDENT ACTIVITIES/SPORTS:

Livingston Elementary offers engaging activities like Student Council, Techie Club, Girls on the Run, and monthly PBIS celebrations that build leadership and school pride. Students benefit from daily after-school programming through our Boys and Girls Club partnership and reading support from Nationwide Children's Hospital.

### FAMILY SUPPORT & RESOURCES:

Families are active partners in our school, we host events, field trips, and monthly Parent University sessions to keep our families engaged, all year. Support from our Family Ambassador and the "LLC" parent group helps strengthen our school community.

### COMMUNITY PARTNERSHIPS:

We thrive through strong partnerships with Nationwide Children's Hospital, City Year, Big Brothers Big Sisters, and the Boys and Girls Club. Support from Central Community House, Community Development for All People, and Partnership 4 Success helps us meet the academic and social needs of every student.
