**COMMUNITY:** Region 3 - South

**EMAIL:** [molerES@columbus.k12.oh.us](mailto:molerES@columbus.k12.oh.us)

**SCHOOL VISION:** Our mission at Moler Elementary School - We equip our students with tools to take charge of themselves and their future.

**SCHOOL MISSION:** Each student is highly educated, prepared for leadership and service, and empowered for success as a citizen in a global community.

**DRESS CODE:** School uniforms: Navy blue, khaki or black pants, skirt and/or jumper and white, black, navy or light blue short sleeved polo, short or long-sleeved shirts and blouses. Our school mascot is a Bulldog.

## WHAT MAKES OUR SCHOOL OUTSTANDING:

Moler Elementary is a place where every student feels seen, supported, and proud to be a Bulldog. Each morning begins with student announcers leading the daily message, building confidence and community from the start. With three outdoor playgrounds and an on-site community garden, students have space to play, grow, and explore. Programs like Comfortable Cafeteria help students build friendships and feel a strong sense of belonging. From author visits and hands-on field trips to surprise guests like OSU football players, learning at Moler is engaging, exciting, and student-centered. The school also hosts two YMCA Head Start classrooms, providing high-quality Pre-K for children ages 3–5 in the 43207 zip code—setting the foundation for lifelong learning.

## SPECIALTY LEARNING OPPORTUNITIES/CURRICULUM:

Moler uses the Common Core State Standards for reading and math. We use HMH into reading, iReady math, and Achieve 3000. In addition to language arts and math, Moler offers science, social studies, physical education, adaptive physical education, vocal music, instrumental music, and art.

**READING PROGRAM:** Guided literacy in grades K-6. Students will participate in differentiated guided reading groups.

## STUDENT ACTIVITIES/SPORTS:

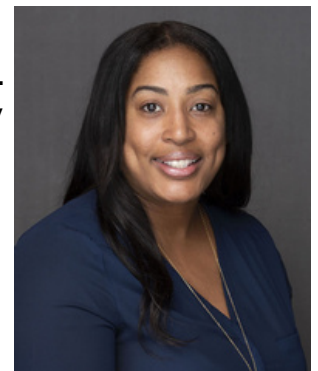

Moler offers a variety of programs that spark curiosity, build leadership, and keep students growing beyond the classroom. From extended learning tutoring to scouts, and Chess Club, students stay active, engaged, and connected. DRIVEN Mentorship Programs for both male and female students provide guidance, support, and role models to help them thrive in school and in life.

## FAMILY SUPPORT AND RESOURCES:

Moler provides multiple opportunities and forums for which parents to be involved at school. A few of those opportunities are parent workshops, welcome back ice cream social, monthly parent meetings, open house, annual black history events, parent/teacher conferences and linkage with community resources.

## COMMUNITY PARTNERSHIPS:

Moler Elementary is supported by a strong network of community partners that enrich learning, wellness, and family engagement. Local organizations like YMCA Head Start, the South High School Alumni Association, Northwest Community Counseling, Nationwide Children's Hospital, Local Matters, The Driven Foundation, Chase Bank, and Columbus Children's Charity provide everything from early childhood education and mental health services to food education and mentorship. All these bring real-world experiences and hands-on learning into Moler every school year.

## SCHOOL LEADERSHIP:

Jamecia Shoultz, Principal
