WHAT MAKES OUR SCHOOL OUTSTANDING:

South High School has placed students in prestigious universities throughout the country, including Harvard, West Point and Morehouse. We have an exceptional internship program that connects students to the community in which they live. Our staff is committed to being the most effective teachers possible.

SPECIALTY LEARNING OPPORTUNITIES/CURRICULUM:

South High School offers a wide range of academic offerings for middle school students and upperclassmen. Students can choose regular as well as a comprehensive array of arts including the visual arts, instrumental and vocal music. Students have the opportunity for dual enrollment allowing them to earn college credits through Columbus State Community College. The staff realizes the increased demands for defined skills in technology and it committed to the utilization of technology in all content area in an effort to prepare students for leadership and success.

STUDENT ACTIVITIES/SPORTS:

South High School offers students a vibrant mix of sports, clubs, and events that build school pride and community. From homecoming week and spirit days to pep rallies, teacher-student competitions, and school-wide celebrations, there's always something to look forward to. Athletics and student activities give Bulldogs the chance to lead, connect, and celebrate their accomplishments together.

FAMILY SUPPORT AND RESOURCES:

South High School is proud to have the largest alumni base in Central Ohio, with over 30,000 graduates who continue to support and celebrate the Bulldog legacy. Families play an active role in student success and are encouraged to stay involved through volunteer opportunities, school events, and ongoing communication with staff. At South, we work together to create a welcoming, inclusive environment where every student feels supported—at home and at school.

COMMUNITY PARTNERSHIPS:

At South High School, community partnerships play a key role in preparing students for success beyond graduation. Through internships and service opportunities at local elementary schools, churches, recreation centers, and businesses, students gain real-world experience and give back to their community. Support from organizations like Nationwide Children's Hospital, Columbus State Community College, I Know I Can, City Year, and Communities In Schools connects students with mentoring, college readiness, and career pathways. These partnerships help students build skills, confidence, and a clear vision for their future.
