

# Trevitt Elementary School

**ADDRESS:** 519 Trevitt St. Columbus, OH 43203

**WEBSITE:** [ccsoh.us/TrevittES](http://ccsoh.us/TrevittES)

**PHONE:** 614-365-6137

**SCHOOL MISSION:** We aim to provide a welcoming atmosphere in a safe learning environment that promotes academic excellence through a health science focused curriculum.

**DRESS CODE:** Students are expected to come to school in the school uniform each day. The uniform consists of black, white, light blue, navy blue, or yellow polo style shirts with black, navy or khaki bottoms (pants, shorts, skirts or skorts).

## **SPECIAL LEARNING OPPORTUNITIES/CURRICULUM:**

Trevitt Elementary is proud to be one of six Health Sciences Academies in Columbus City Schools, offering a strong academic foundation with a focus on health and wellness. Students engage in reading, writing, math, social studies, art, music, and physical education through the CCS Core Instructional Framework. Our literacy program builds fluency and comprehension through interactive workshops aligned to Ohio's Learning Standards. In math, students use Ready Ohio Mathematics to strengthen problem-solving, reasoning, and real-world application. Every lesson is designed to challenge, support, and prepare students for future success.

## **STUDENT ACTIVITIES AND SPORTS:**

At Trevitt Elementary, student activities build confidence, leadership, and a strong sense of community. From the Trevitt Morning News Crew and Student Council to Safety Patrol and the Championship Step Team, students develop skills that prepare them for middle school and beyond. Programs like SEEDS, choir, basketball, and partnerships with Metro Parks connect learning to real-world experiences. Events like Red Ribbon Week and Right to Read Week promote academic pride and student engagement.

## **FAMILY SUPPORT & RESOURCES:**

Parents and community members offer support through their involvement with Parent University, meet and greet, and school-wide activities such as College and Career Open House Night, 3rd Grade Parent Night, Career Day, Family Literacy Night, Math Night, and our quarterly honor roll breakfast.

## **COMMUNITY PARTNERSHIPS:**

The Ohio State University Health Sciences Academies & Outreach, Ohio State Office of Social Change, Columbus Chapter of the Links, Incorporated, Family Mentor Foundation, National Pan-Hellenic Council, Alla Baba Court #75, God's Way Church, City Year Americorps, Ohio State Patrol, Columbus Police Department, Nationwide, Rock City Church, School Rox Party Box, Ohio State Adopt A Classroom, Columbus (OH) Alumnae Chapter of Delta Sigma Theta Sorority, Inc., Mid-Ohio Food Bank, St. Dominics Church.

## **SCHOOL LEADERSHIP:**

Dr. Keisha Fletcher-Bates, Principal
