

**7th Grade Course Requests  
Woodward Park Middle School  
2025-2026 School Year**

Students,

Please log into your Infinite Campus and follow the directions to make your requests. While we try to honor every request, some just might not be possible. We will do our best to schedule you into the Unified Arts classes of your choice!

Log in -- Click the blue banner along the top that says Course Registration is currently open. Then Select 25-26 Woodward Park MS. Your required courses should already be loaded and you should see 140/180 Units along the top. Click the blue button on the bottom that says Add Course. Find a course from the list below and click the plus sign and then the blue REQUEST BUTTON to add the request. Once you select your top choices, your bar along the top should go to 100% and turn green with 180/180. If you would like to select an ALTERNATE in case you don't get your top choices, click the plus sign next to that course and choose the Alternate button.

**Be sure you are only selecting the courses that are matched to your grade level. If you select any courses for the wrong grade level, your requests will be deleted and you will be placed in whatever is available.**

Thank you,

Mr. Bailey, Dr. Arrington, Ms. Davis, and Mr. Jackson
