SeeSaw Update

As you may know, our SeeSaw is disconnected as of last week with the implementation of SB29. Senate Bill 29, that went into effect on Thursday, October 24, limits the use of certain educational technologies and supports data privacy for students. I am working closely with SeeSaw and our legal team to get back up and running with SeeSaw.

- In the interim, please use email to contact your child's teacher - you can find their email(s) [here](#).
- Additionally, if you need immediate assistance, please contact the Main Office at (614) 365-5335.

You can read more about Senate Bill 29 [here](#), and Devonshire's commitments [here](#).

Renovations - Summer 2025!

I am thrilled to share that our building is scheduled for renovations this summer (summer 2025). I have asked our design firm to survey families, students, and teachers about things they would like to see addressed. Please make your voice heard, and complete [this survey](#) by 11/1/24.

Halloween at Devonshire

This week surely brings a lot of anticipation with Halloween on Thursday. This year, we will allow students to wear costumes to school provided that the costumes:

- Do not involve blood or gore
- Do not have weapons
- Do not have masks
- Are school appropriate

Students wishing to participate, should come to school in their costumes. There will be no school-wide celebration, however, individual classrooms may choose to celebrate through different academically rich activities.

Friday, November 1, will surely be a challenging day for us all as we work to de-candy ourselves. Please refrain from sending your student to school with any candy.
