

Camp Day Is Coming!!!!

Camp day will be held on Friday September 27th this year. The activities for each grade level will take up about half of the day. The other half of the day is yours to spend how you would like! We do ask that you stay on schedule during your rotation times. This means you will probably want to start moving to your new location with about 3 minutes left in that station (depending on where it is located). The schedule and locations are provided on the next page.

Lunch and recess will be like last year. The times for your lunch and recess are on the schedule provided. Each class can decide what to do for their lunch. Lunch will be by grade level group. So pre-k-2 will have lunch 11:30-12 on the front lawn. Teachers who normally have lunch duty will cover along with parent volunteers. Feel free to encourage your students to pack a lunch if you want. Students will be able to grab a lunch from the cafeteria (it just may get a little hectic, so the less people we have doing that the better). We will have recess monitored by parents and whichever staff members typically would have recess duty that day.

There will be adults (at least one staff member and parent volunteers) at each station who will present and facilitate the activity. However, teachers, please help to monitor your class during activities.

Our day will start with announcements to kick off camp day! We are looking for some fifth grade volunteers to help with this! Fifth grade teachers if you could please email Flanagan with any names of people, one of our team members will get with them next week to plan out what to say! The announcements will be things like the pledge, weather report, and possibly a camp song!

A sign up genius went out to parents to sign up to work a station and/or recess/lunch duty. If you would like parents to volunteer to walk around with you throughout the day that is fine too! You will need to communicate that to parents yourself as we will not be collecting those names.

Camp Day is Coming!!!!

Camp day will be Friday September 27! If you are not a general education classroom teacher, we would really love your help making this day a success! Please indicate which activities you are interested in helping with throughout the day. If possible please pick more than one as we need at least one staff member at each station. If you don't care where you are placed you can leave it blank and we will place you wherever there is a need! Also if you could please indicate if you would like to man a station in the am or the pm that would be helpful! Thanks so much! Return this to Flanagan's box ASAP!

Name: _____

_____ Project Adventure games (we will give you games and instructions)

_____ Crafting

_____ Animal Corner

_____ Tye Dye

_____ Bounce House

_____ Other- _____

_____ AM (Prek-2) _____ PM (3-5)
