

April 4, 2025

Hello CAHS Families and Scholars,

You are receiving this message because your scholar is **identified as needing to recover one or more high school credits** to stay ON TRACK for graduation as well as matriculating to the next grade level. In short, if your student does not recover the appropriate credits over the summer they will remain at their current grade level in the Infinite Campus system. For current Freshmen this means they will also need to stay after school on Tuesday and Thursdays during NEXT SCHOOL YEAR to work on credits if they are not recovered over the summer. For current Sophomores and Juniors, NEXT SCHOOL YEAR this means they will also stay after school and also required to attend IN PERSON school on Internship Wednesdays and not participate in the Internship Program. They will be responsible for obtaining internship hours on their own outside of school hours. We encourage all scholars to take advantage of summer school to recover credits and get back on track.

Registration for the 2025 Summer Experience **opens on March 10** and closes May 31st. Classes begin **June 9 at Ft Hayes High School**. It offers high school students the chance to earn credits toward graduation while applying classroom learning to solve real-world challenges. All Columbus City Schools high school students have the opportunity to make the most of their summer by earning valuable credits. We encourage them to take full advantage of this incredible opportunity to get ahead and achieve their academic goals!

This year's Summer Experience is once again **FREE and open only to CCS students**.

To learn more about the 2025 Summer Experience, visit [www.CCSSummer.org](http://www.CCSSummer.org).

All summer school registration will happen by logging in to the Parent Portal and selecting Summer School under the Quick Links. Instructions are attached and can be found in your CCS Student email or posted on Parent Portal. They can also be found on the CAHS website under "Summer School"

We will also hold a zoom information session on April 9, 2025 via zoom for any families having questions.  
April 9th Meeting 10:00 - 11:00 a.m.

<https://ccsoh-us.zoom.us/j/84742847706>
