

HOW TO GET INVOLVED

There are numerous ways to get involved with the Linden McKinley Legacy Collaborative, first of which is to approach the task with a positive mindset and the realization that success rewards the personal individual, the current and future students, administration and staff of Linden McKinley, and the Linden community as a whole with a shining legacy.

Monetary contributions are essential but just as impactful are participation in fund raising activities, personal and corporate mentorship, networking with a purpose, volunteering time and effort to student activities, and actually follow and support what is going on at Linden McKinley. Support LM athletics with your attendance as well as events and performances by the award winning TUMMP - The Unstoppable Mighty Marching Panthers. This is an investment, not a sacrifice.
