

Mifflin HS Netiquette* Pledge and the Three R's

**Netiquette is your etiquette - which is a code of polite and appropriate behavior among the members of a group - on the Internet.*

By signing this pledge, you are pledging to abide by the general accepted rules of network etiquette. These include (but are not limited to the following):

- I pledge to be polite. I will not write or send abusive messages to others.
- I pledge to use appropriate language. I will not swear, use vulgarities, or use any other inappropriate language.
- I pledge to not reveal personal addresses, passwords, or phone numbers of my own or other students.
- I pledge to NEVER cyberbully. Cyberbullying involves the use of information and communication technologies to support deliberate, repeated, and hostile behavior by an individual or group that is intended to harm others. This includes, but is not limited to, trash-talk, inappropriate language, personal insults, profanity, spam, racist, sexist or discriminatory remarks, or threatening comments.
- I pledge to refrain from use of unauthorized games, videos, movies, and other non-lesson technology while in the classroom.
- I pledge that I will not take pictures or videos of students, staff, or property of the school without explicit permission from my teacher. I also may not share digital work, pictures or videos of other students, either within the district or outside of it, without explicit permission from my teacher.

I understand that the use of technology in the classroom is a privilege intended to contribute to and enhance learning. Any behavior that disrupts the learning environment will be met with appropriate consequences.
