

8th Grade Science

Ms. Wilkins & Mr. Secrest
cwilkins@columbus.k12.oh.us
esecrest5179@columbus.k12.oh.us

1. **Achieve** - Read **10 articles** and complete the activities between now and April 6th. Please make sure you are logging into your SCIENCE account to read these, NOT your ELA account. They will only be graded if they are completed through your science class. There are 7 articles listed here that you need to read and you can also pick 3 additional science related articles.
 1. Finding the Building Blocks of Trees
 2. Bringing the Redwoods Back to Life
 3. As Earth Warms, Birds Move North
 4. One Potato, Two Potato
 5. The Perfect Apple
 6. Women Use Science to Help Others
 7. Mammals Like You've Never Seem Them
 8. Any science article of your choice!
 9. Any science article of your choice!
 10. Any science article of your choice!
2. **Google Classroom**- Log in to google classroom for new assignments and updates. The class code is **kskhbeh**. You can also log on here to post questions. Both Secrest's & Wilkins' assignments will be in the same class.
3. **Gizmos** - Complete 2 gizmos (Rainfall Bird Beaks & Mouse Genetics) by logging into your account at explorelarning.com.

You can fill out the google doc on google classroom that is linked with the assignment OR if you have access to print it, you can email a picture of your completed form to your teacher. If you forgot your password or you are in Mr. Secrest's class, email cwilkins@columbus.k12.oh.us to get your log in or to be added to one of the classes.
