

# 6TH GRADE SOCIAL STUDIES

Ms. Carter's Distance Learning

Tuesday, March 24- Friday, April 3rd

Dear students and families,

I understand that we are facing a difficult time when it comes to learning from home and not at school. I hope you will reach out to me with any questions you have or to say hello. I do miss you a lot! Learning from home is not ideal, and trust me, I would rather be with you at school, but we can do this together. Please make sure you're staying inside and staying healthy.

♡ Ms. Carter
