Attention Teachers, Parents and Students:

Learning doesn't stop for a CALAMITY DAY! Please remember that students are expected to practice independent learning in the event that school is closed. ***Whenever school is closed,*** students are required to complete at least 5 topics in ALEKS (no more than 10) and read at least 2 articles in ACHIEVE3000. ALL STUDENTS KNOW THEIR USERNAME AND PASSWORD. The following checklist will serve as a guide. 20 minutes of Silent Reading every day, journaling or writing, checking the teachers' Google Classroom's, etc. are all additional options.

This checklist is DUE THE FIRST DAY BACK from a CALAMITY DAY to the Homeroom Teacher. A parent signature is also required. **USE THE BACK OF THIS PAPER FOR EXTENDED DAYS.**

Please write each topic learned and the name of the article on the lines below.
